Use**

**Shake Well
Before Use**

**Suitable for
Organic Farming**

NEEM OIL 99.9% SCALE TERMINATOR (Active Ingredient: Extract of Neem Oil) is an organic insecticide that washes off and covers pests' waxy protective layer, causing death due to suffocation; Does not create pest resistance.

NEEM OIL 99.9% SCALE TERMINATOR kills eggs, larvae and adult garden insects. It also prevents and controls black spot, rust and powdery mildew.

NEEM OIL 99.9% SCALE TERMINATOR is highly effective and economical botanical oil which is being used indoors as well as outdoors on ornamental flowering plants, trees, shrubs and foliage grown in greenhouses, interiorscapes and commercial landscapes.

NEEM OIL 99.9% SCALE TERMINATOR also act as a fungicide, which is a preventative as well as a curative.

NEEM OIL 99.9% SCALE TERMINATOR coats fungal spores and then dehydrates them to stop the disease cycle.

NEEM OIL 99.9% SCALE TERMINATOR is applied when conditions favor disease development but before major symptoms occur.

As a Miticide and an Insecticide, **NEEM OIL 99.9% SCALE TERMINATOR** acts as a suffocant.

To insure maximum control through coverage of **NEEM OIL 99.9% SCALE TERMINATOR** is key.

General Usage Instruction:

Shake well before spraying directly on pests or whole plants. Spray in the early morning or late evening. Don't spray during hot weather.

Application Frequency:

Apply twice a week.

First Aid (Practical Treatment):

- ▶ If swallowed, have the exposed person drink 1 or 2 glasses of water. Do not induce vomiting. Seek medical help immediately.
- ▶ If inhaled, remove and get fresh air. If patient is uncomfortable, seek medical help.
- ▶ If in contact with eyes, flush with plenty of clean water for 15 minutes. Seek medical help if irritation persists.
- ▶ If on skin, in case of contact, remove contaminated clothing and immediately wash skin with soap and water. Seek medical help if irritation persists.
