

Starxgrow Nitrosol

Liquid Plant Food

24 vital ingredients

**Organic Natural
Growth Stimulants**

STARX[®]
FOR ORGANIC GARDENING

Starxgrow Nitrosol is the ideal fertiliser for all garden and indoor plants. Starxgrow Nitrosol has been a favourite of local gardeners. Its unique formulation provides the benefits of organic natural growth stimulants in an easy to use liquid form.

Starxgrow Nitrosol provides an effective balance of major and minor plant nutrients and minerals and can be absorbed through plant leaves as well as through the roots.

Starxgrow Nitrosol enhances soil fertility by encouraging beneficial soil microorganisms.

GUARANTEED ANALYSIS

| | |
|---|-------|
| Total Nitrogen | 10.5% |
| Total Phosphorus | 2.30% |
