FOR ORGANIC GARDENING

3 IN 1

ORGANIC PLANT GUARD

**Natural
Pest Control**

**Treat & Prevent
Bacterial,
Fungal & Virus**

**Organic Fertilizer
– Boost Nutrient
Uptake**

3-IN-1 ORGANIC PLANT GUARD is 100% natural based organic pest control and fertilizer which is highly effective for use in growing ornamental plants and garden vegetables.

Ingredients

Chenopodium ambrosioides linn, cedar, cypress, pine, platycladus orientalis, plantain, sophora - flavescens, stemona japonica, organic potassium seaweed extract.

Insecticide & Miticide

Treat and control over various species of pests including aphids, beetles, caterpillars, gnats, mealybugs, spider mites & thrips.

Fungicide

Treat and prevent pathogenic bacteria, fungus and virus.

Organic Fertilizer

Provide well balance of nutrients & minerals to plants. Improve germination & soil quality.

Instructions

Spray directly onto pests, plants, stem and soil every 3 – 4 days until no signs of pests. For preventive actions, spray once a week.

Keep out of reach of children

Keep out of reach of children. Avoid contact with eyes and skins. If irritation occurs, rinse thoroughly with clean water.
