Fungicide**

**For  
Horticultural  
Use**

**Shake Well  
Before Use**

**Suitable for  
Organic Farming**

**ORGANIC NEEM OIL SCALE TERMINATOR** (Active Ingredient: Extract of Neem Oil) is an organic insecticide that washes off and covers pests' waxy protective layer, causing death due to suffocation; Does not create pest resistance.

**ORGANIC NEEM OIL SCALE TERMINATOR** kills eggs, larvae and adult garden insects. It also prevents and controls black spot, rust and powdery mildew.

**ORGANIC NEEM OIL SCALE TERMINATOR** is highly effective and economical botanical oil which is being used indoors as well as outdoors on ornamental flowering plants, trees, shrubs and foliage grown in greenhouses, interiorscapes and commercial landscapes.

**ORGANIC NEEM OIL SCALE TERMINATOR** also act as a fungicide, which is a preventative as well as a curative.

**ORGANIC NEEM OIL SCALE TERMINATOR** coats fungal spores and then dehydrates them to stop the disease cycle.

**ORGANIC NEEM OIL SCALE TERMINATOR** is applied when conditions favor disease development but before major symptoms occur.

As a Miticide and an Insecticide, **ORGANIC NEEM OIL SCALE TERMINATOR** acts as a suffocant.

To insure maximum control thorough coverage of **ORGANIC NEEM OIL SCALE TERMINATOR** is key.

**General Usage Instruction:**

Shake well before spraying directly on pests or whole plants. Spray in the early morning or late evening. Don't spray during hot weather.

**Application Frequency:**

Apply twice a week.

**First Aid (Practical Treatment):**

- ▶ If swallowed, have the exposed person drink 1 or 2 glasses of water. Do not induce vomiting. Seek medical help immediately.
- ▶ If inhaled, remove and get fresh air. If patient is uncomfortable, seek medical help.
- ▶ If in contact with eyes, flush with plenty of clean water for 15 minutes. Seek medical help if irritation persists.
- ▶ If on skin, in case of contact, remove contaminated clothing and immediately wash skin with soap and water. Seek medical help if irritation persists.
