

# NANO SILVER ORGANIC FUNGICIDE

**3 IN 1** FUNCTIONS

**SANITIZE • CONTROL • PROTECTION**

		
Nano SilverSol Technology	Antifungal Protection	Made in USA

**STARX Nano Silver Organic Fungicide** is an all-natural, high-performance plant protection solution that offers broad-spectrum antibacterial, antifungal, and antiviral defense. Using advanced Nano SilverSol technology, it kills up to 650 types of pathogens without leaving harmful residues, making it safe for plants, humans, and the environment. This stable, easy-to-use liquid also promotes wound healing and healthy growth, with no risk of drug resistance. Ideal for eco-conscious growers seeking a safe and effective way to protect their plants.
