ORGANIC GARDEN GALORE

GARDEN GALORE
Plus Organic

- ✓ **Includes Mini Sheep Pellets**
- ✓ **Replenishes Nutrients**
- ✓ **For all Areas of the Garden**
- ✓ **Encourages Growth & Flower Formation**

Organic Garden Galore is a mini sheep pellets organic fertilizer and soil conditioner. The organic matter in **Organic Garden Galore** makes both sandy and clay soils easier to work by improving the structure of the soil. Soil structure influences aeration and permeability and has a major effect on the growth of plant roots. The wool fibers present in **Organic Garden Galore** are not only a slow release source of nitrogen they also act s a soil conditioning agent. **Organic Garden Galore** is also an excellent food source for soil bacteria and fungi and for earthworms. Bacteria and fungi are essential for the break-down of plant residues in the soil and earthworms have beneficial effects on soil aeration water-holding capacity and nutrient availability.

Ensure your plants are getting all the essential nutrients and trace elements required for healthy plant growth and flower formation with **Organic Garden Galore** - General Garden Fertiliser. This balanced all-purpose fertilizer NPK 3-3-3 is ideal for use on vegetables, annuals, perennials, ornamentals and shrubs, in all areas of the garden.

Regular applications will help replenish nutrient deficiencies in the soil.

Content / Ingredient : N-P-K 3 - 3 - 3 + Bone and Trace elements.

Directions for use

For base dressing:

- Apply 350g (approximately 1 cup) of **Organic Garden Galore** Fertiliser per m² of soil before planting.
- Mix well into the soil.
- Water thoroughly and watch your plants grow and flourish!

Flower and Vegetable Gardens New Gardens - To use as a base dressing apply **Organic Garden Galore** evenly at a rate recommended on the bag to the plant bed and fork light through the topsoil.

Existing Gardens - To use as a side dressing apply recommended amount of **Organic Garden Galore** per plant. Spread evenly round the plant and lightly fork in.

REMEMBER **Organic Garden Galore** is completely organic so can be applied safely at any time and will not burn your plants. To gain top performance from your garden apply **Organic Garden Galore** liberally during periods of active growth. Water plants after each **Organic Garden Galore** application.

Trees & Shrubs and Rose Gardens - **Organic Garden Galore** is both a soil conditioner and a fertiliser so is great for both new and existing gardens.

New Gardens - To use as a base dressing apply recommended amount of **Organic Garden Galore** per planting hole and mix thoroughly with the soil.

Existing Gardens - For shrubs and roses apply recommended amount of **Organic Garden Galore** per plant forked lightly about the base.

For trees apply recommended amount of **Organic Garden Galore** per plant. Apply in a ring around the plant halfway between the trunk and the drip-line and fork in lightly.

For side dressing:

- Apply 175g (approximately ½ cup) of **Organic Garden Galore** General per m² around the drip-line of established plants (the drip-line is where the plant's foliage extends to).
- Mix well into the soil.
- Water thoroughly and watch your plants grow and flourish!
- For best results apply every four weeks to vegetables and flowers during the growing season.
